

Remote workers seek a sense of security and support

Article

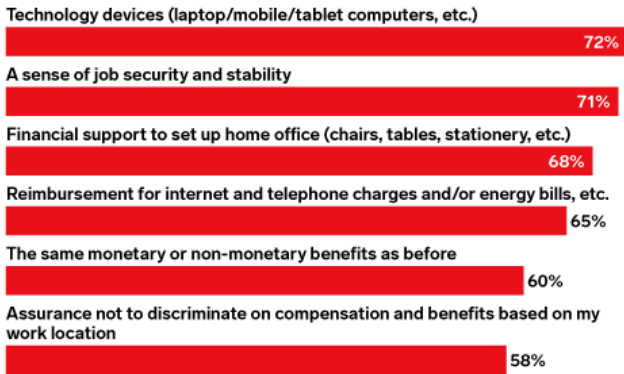

For more insights and key statistics on the biggest trends in today's most disruptive industries, [subscribe to our Chart of the Day newsletter](#).

For Employee Appreciation Day, we're taking a look an October 2020 survey of what remote employees expect from their companies. Workers worldwide want **technological and**

financial support to set up their home offices, but **71%** also expect employers to provide a sense of **job security and stability**.

Benefits Employees Worldwide Expect Their Company to Provide Them with in a Remote Setup, Oct 2020

% of respondents

Note: n=5,016 employees; top 5 responses
